Accord

Accord

THE NEW HORIZON OF ADVANCED TECHNOLOGY

The world at your feet. Advanced technology at your fingertips. A new horizon awaits, with next generation technology
Honda SENSING™ now on board the Accord. Elevate your drive to the next level.

Accord

THE NEW HORIZON OF ELEGANCE

There's something distinctively different about the Accord. While it retains all the elegance of a premium sedan, it has a bold new attitude with a restyled body and headlights.

LED HEADLIGHTS* WITH LED DAYTIME RUNNING LIGHTS

The Accord Headlights are refined with LED to provide better illumination and visibility for night time driving while saving power. Accentuating the Accord's sleek silhouette, Daytime Running Lights improves vehicle visibility during daytime driving.

ACTIVE CORNERING LIGHTS*

Ensuring safety while cornering, the lights automatically illuminate to enhance visibility at your front corners.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available. Actual model may vary in detail from image shown.

*2.4 VTI-L Advance only

REAR COMBI LIGHTS WITH PREMIUM LED LIGHTS

The Accord's sophisticated silhouette is enhanced by sleek LED taillights that offer superior visibility and style.

HYDROPHILIC DOOR MIRROR* WITH LED TURNING SIGNAL

Hydrophilic mirrors disperse water droplets to maintain visibility when it's raining.

SMART ENTRY

The Smart Entry operation detects the Accord's Smart Key to allow the driver to lock and unlock, effortlessly.

18-inch
2.4 VTi-L Advance

17-inch
2.0 VTi-L

TWO-TONE ALLOY RIMS

The Accord is elegantly designed with two-tone multi-spoke alloy rims that are bound to attract a second look.

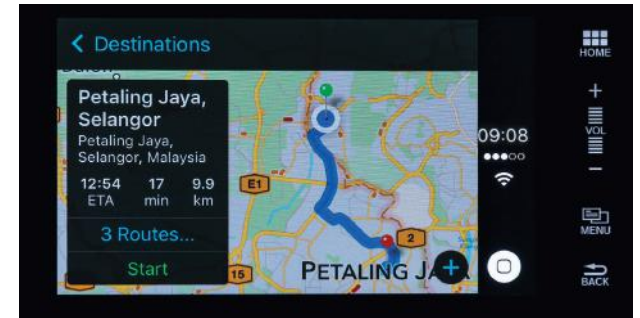

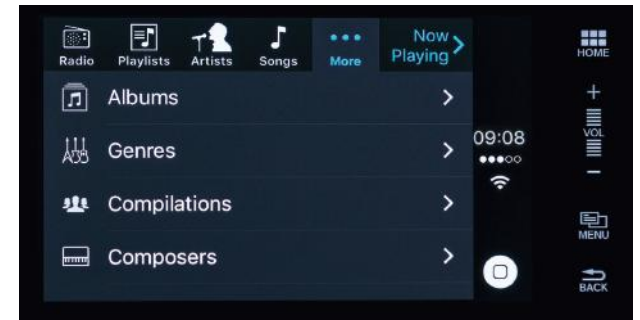

THE NEW HORIZON OF LUXURY

The Accord is a haven of comfort and calm. Stretch out and relish the space. Touch the premium finishing. Admire innovations all around you. The Accord captivates your senses with each and every drive.

7-INCH ADVANCED DISPLAY AUDIO & i-MID INTEGRATED DISPLAY

An intuitive touchscreen display puts control at your fingertips. Access your audio system or connect your phone to display maps for navigation. Meanwhile, the Intelligent Multi Information Display (i-MID) shows information on your driving range, fuel consumption and audio at a glance.

SMARTPHONE CONNECTIVITY

The Accord and your smartphone are in perfect synergy with *Apple CarPlay™* and *Android Auto™*. Enjoy the essentials of your phone, controlled through the Advanced Display Audio.

PADDLE SHIFT*

Elegantly integrated behind the steering wheel, Paddle Shift allows you to effortlessly shift gears with a fingertip touch.

AUTO DIM REARVIEW MIRROR

Detects and automatically dims glare from vehicles behind, assuring safer driving at night.

METER CLUSTER

The Meter Cluster is enhanced with a new spindle pattern and font to enhance visibility.

8-WAY DRIVER & 4-WAY PASSENGER POWER SEAT

Adjustable seats for the driver and front passenger provide a comfortable and convenient drive, all the way.

EARTH DREAMS TECHNOLOGY

THE NEW HORIZON OF PERFORMANCE

Elegance and performance are equally matched in the Accord. Featuring Earth Dreams Technology™*, the Accord unleashes a powerful yet eco-efficient drive.

EARTH DREAMS TECHNOLOGY™*

Earth Dreams Technology™* is a suite of advanced technologies that enhances both driving performance and fuel economy, offering the driver more torque with better fuel efficiency.

2.0 VTI-L

Maximum Power : 155PS (114kW) @ 6,500 rpm
Maximum Torque : 190Nm (19.4kg-m) @ 4,300 rpm

2.4 VTI-L Advance

Maximum Power : 175PS (129kW) @ 6,200 rpm
Maximum Torque : 225Nm (22.9kg-m) @ 4,000 rpm

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

*2.4 VTI-L Advance only

ECO ASSIST

The ECO Assist Guide changes colour depending on how eco-conscious the drive is. The longer it stays on green, the more efficient the drive becomes.

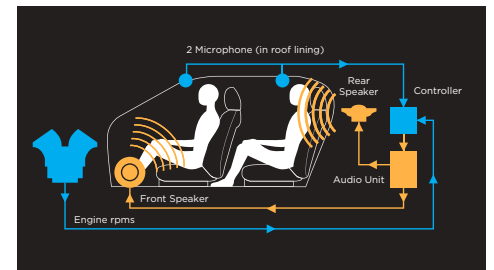

ECON BUTTON

Enjoy smooth driving and improved fuel efficiency with a push of the Econ Button.

PUSH START

At just a push of a button, the engine ignites to life.

ACTIVE NOISE CONTROL (ANC) & ACTIVE SOUND CONTROL (ASC)

Designed to dramatically reduce engine noise in the cabin to give a serene drive, every time.

Honda
SENSING™

THE NEW HORIZON OF SAFETY

Responsive safety features in the Accord watch over your every journey. Accord is now more advanced than ever with Honda SENSING™*, a next generation technology that utilises a radar and camera to detect imminent danger and reduce the likelihood of collision.

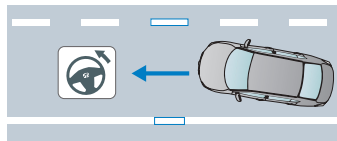

LANE DEPARTURE WARNING

Monitors vehicle lane position using the camera and alerts the driver if the vehicle leaves the lane without activating the turn signal.

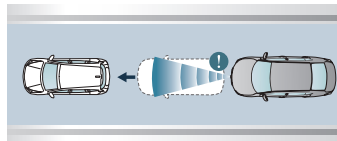

ROAD DEPARTURE MITIGATION

Applies brakes and assists the driver's steering if camera detects the Accord veering too close to the edge of the road.

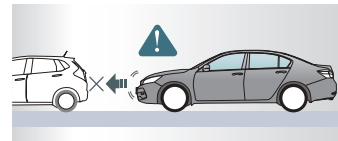

LANE KEEP ASSIST SYSTEM

A camera reads lane markings and assists the driver's steering to keep the vehicle in the centre of its lane.

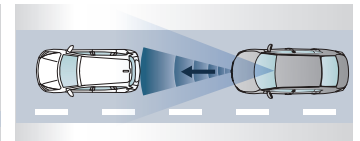

FORWARD COLLISION WARNING

Detects vehicles in front of the driver, triggering visual and audible alerts if the system detects a risk of collision.

COLLISION MITIGATION BRAKING SYSTEM

Assists in applying brake force progressively when it senses an increasing risk of collision.

ADAPTIVE CRUISE CONTROL

Sets a fixed cruising speed and distance behind vehicle to maintain a safe driving distance.

*Applicable for 2.4 VTi-L Advance variant only. Honda SENSING™ alerts and assists drivers to drive safely on the road. Honda SENSING™ functions best in conducive weather and visibility conditions. Keep the radar and cameras clean and unobstructed for optimum performance. Despite the capabilities of Honda SENSING™, drivers remain responsible for safely operating the vehicle and avoiding collisions. Drivers should always keep their hands on the steering wheel and be in control of their driving behaviour at all times.

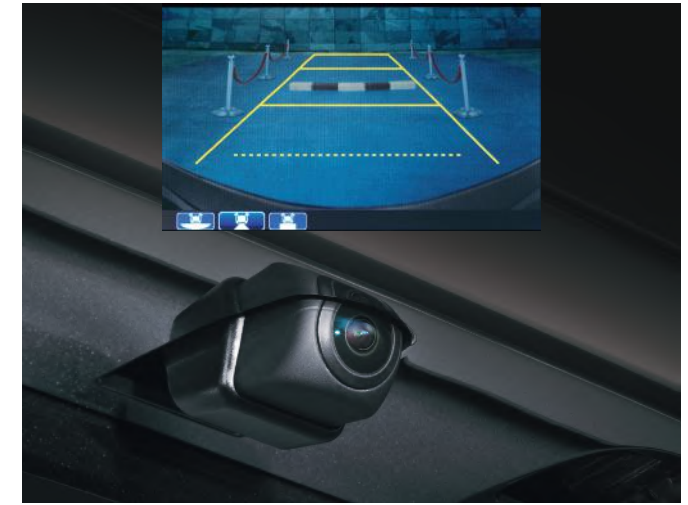

6 AIRBAGS

All variants of the Accord are equipped with SRS front driver and passenger airbags, Side Curtain Airbags, as well as Side Airbags.

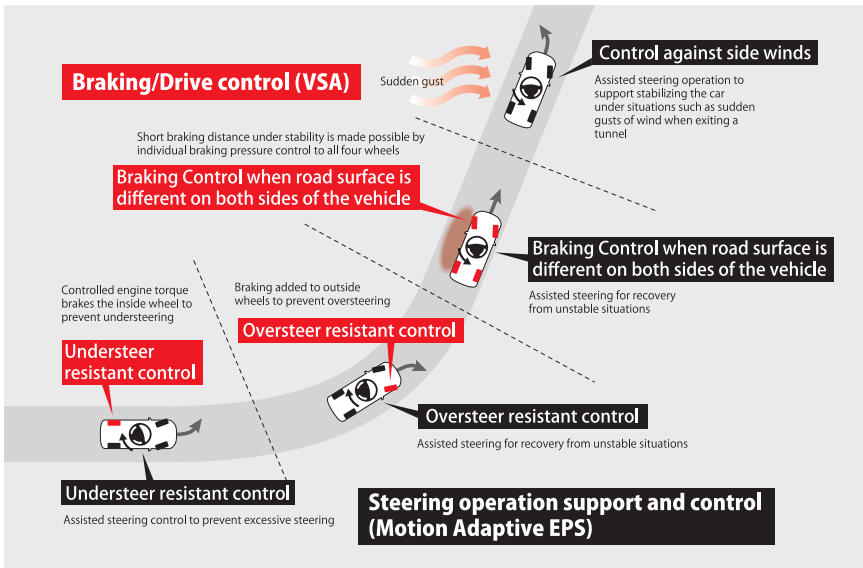

Honda LANEWATCH

A small camera is mounted on the passenger side view mirror, enhancing the side view while reducing blind spots for safer lane changing.

MULTI-ANGLE REARVIEW CAMERA

The Accord features a 180° wide and a clear multi-angle option on the i-MID (Intelligent Multi Information Display) for safer reversing.

VEHICLE STABILITY ASSIST (VSA) & MOTION ADAPTIVE ELECTRIC POWER STEERING (MA-EPS)

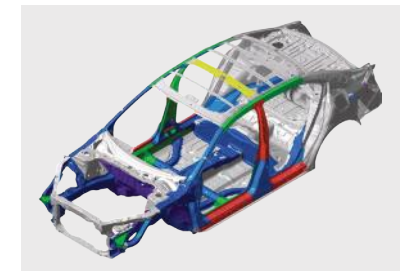

HILL START ASSIST

Helps to prevent the Accord from rolling backwards when the brakes are released on an incline.

EMERGENCY STOP SIGNAL

The rear brake lights and hazard lights automatically flash when the Accord detects sudden braking at unexpected road conditions or situations, thereby warning nearby cars.

G-FORCE CONTROL TECHNOLOGY (G-CON)

Honda's G-CON technology impact absorbing structure minimises injury to passengers in the event of a collision.

THE NEW HORIZON OF STYLE

Treat yourself to premium additions to your Accord with Honda Genuine and Authorised Accessories. The exceptional quality of our sleek and aerodynamic products give your car the styling it deserves.
